late registration fee, installment payment plan fee, student identification fee.

Withdraw and Refund Schedule for accelerated
Fall/Spring and Summer Sessions:

Withdrawal	Refund	Transcript Notation
Prior to the first day of the semester*	100%	None
During the first five (5) business days of the semester	100% on tuition only. All fees are non-refundable.	W
After the first five (5) business days of the semester	No refund	W
Failure to Withdraw	No refund	F

*There are no refunds on the \$75 non-refundable registration fee.

Withdraw and Refund Schedule for accelerated
Winter Session:

Withdrawal	Refund	Transcript Notation
Prior to the first day of the semester*	100%	None
After the semester begins	No refund	W
Failure to Withdraw	No refund	F

*There are no refunds on the \$75 non-refundable registration fee.

Refunds, if any, are based on the date and time of receipt of a student's withdrawal, regardless of registration date or attendance. All students who wish to withdraw from a course or courses must do so in writing. It is the student's responsibility to withdraw from courses or a "Failure to Withdraw" grade of "F" will result. Non-payment or non-attendance is not a withdraw.

Students may drop a course without notation on their academic record during the published add/drop period. A withdrawal after the published add/drop period requires the student to obtain the signature of the faculty member, undergraduates require their advisor signature too. A "Course Withdrawal Form" is available online and must be submitted within the published withdrawal dates as outlined in the academic calendar. Winter and Summer sessions do not have an Add/Drop period due to the accelerated format.

Choosing to withdraw is a serious matter which may adversely affect a student's status, financial aid, veteran benefits, and degree progress. Students should consult with their course instructor, advisor, and/or respective office prior to dropping or withdrawing from a course.

MEETING & REFUND FOR ONLINE AND HYBRID COURSES

Online and hybrid courses will be considered "meeting" as other in-person courses that begin the first day of the term (i.e., once per week for 14 weeks in fall/spring, twice per week for six weeks in the summer). The withdrawal and refund schedule follows this "meet" schedule and is effective regardless of individual student login. Please note that some online courses may have earlier start dates.

MEAL PLAN REFUNDS

Meal plan pricing varies, dependent on the number of meals in the chosen plan. Please see the University Bulletin online or visit the policies section at westfield.ma.edu/cgce for more information on meal plans and refunds.

PARKING PRIVILEGES

Parking decals are required and only available online at buymypermit.com/wsui. Vehicles without parking decals will be ticketed. For more information, please see the policies section at westfield.ma.edu/cgce.

CAMPUS I.D. CARD

All Westfield State University students should have a bar-coded Student I.D. card as I.D. cards are required to print information on campus. For more information, please see the policies section at westfield.ma.edu/cgce.

EXCESS FINANCIAL AID TRANSFER TO OWL BUCKS

Students may transfer excess financial aid to Owl Bucks on their Campus Card one week before classes begin for the Fall and Spring terms. Excess Financial Aid cannot be transferred to the campus card for Winter and Summer sessions. The Owl Bucks Transfer Form can be found on the CGCE webpage under Forms & Publications or under the Finances tab on your myWestfield. Please note:

it can take up to 72 hours for funds to be available. Once funds have been transferred to your card, they cannot be returned until you graduate or withdraw from Westfield State University. **All Owl Bucks balances under \$3.00 will be forfeited at the time of graduation.*

HEALTH INSURANCE REQUIREMENT

Massachusetts General Laws mandate that every full- or ¾-time student in a public or private institution of higher education during the fall and spring terms shall participate in a qualifying student health insurance program. All students enrolled full or ¾ time must choose to either waive or enroll online through www.universityhealthplans.com. Post-baccalaureate and graduate students are considered ¾ time when enrolled in at least 6.75 credits and full-time when enrolled in at least 9 credits. Undergraduate students are considered ¾ time when enrolled in at least 9 credits and full-time when enrolled in at least 12 or more credits. Failure to submit the proper waiver form will render you liable for the state-mandated coverage provided by the University and you will be billed accordingly.

HEALTH INSURANCE WAIVER INFORMATION

All students enrolled at least ¾ time or more (6.75 or more credits for post baccalaureate and graduate, 9 or more credits for undergraduate) and who do not wish to purchase a health plan through the university, must provide proof of comparable health insurance coverage. In order to avoid being assessed a state mandated insurance charge you must waive the fee by entering your health insurance information online at www.universityhealthplans.com.

From the main screen, please do the following:

- Select Westfield State University
- On the left side menu, click on the “Waiver Form”
- Complete all required information (if information is missing, your waiver will not be accepted)
- Submit the form by clicking “Apply” and if the form is accepted, you will receive an immediate confirmation of your waiver to the email address provided

INSTALLMENT PAYMENT PLAN

Westfield State University offers an installment payment plan for matriculated (degree seeking) students over a period of time during the semester. Students must apply (application available online under CGCE Forms) and be approved for each term they are seeking an installment payment plan before they may register into courses. Students must adhere to and meet the following requirements:

- Matriculation in a degree or certification program through CGCE
- Students must pay total tuition and fees by published due dates or will be subject to late fees
- Pay the \$100 installment payment application fee (non-refundable) on or before first payment
- First payment due at time of registration
- Students will be held to all regulations regarding withdrawals, as stated in the University’s withdraw

and refund policy, and are responsible for total payment even if they withdraw before the end of the semester and regardless of grade

- Students who have not upheld payments in prior installment payment plans, been sent to a collection agency, or placed on Administrative Withdrawal are not eligible for the installment payment plan

The first payment is due at time of registration and includes the \$100 non-refundable installment payment plan fee. The remaining payments are due according to the following schedule:
