WITHDRAWAL AND REFUND POLICY

Students may withdraw from courses before the second scheduled meeting without notation on their permanent record. Students must withdraw in writing. A withdrawal form is available in the Graduate and Continuing Education (CGCE) office or on our website. A withdrawal after the second class meeting requires the student to obtain the signature of the faculty member, undergraduates require their advisor signature too. Non-attendance does not ensure withdrawal from a course. It is the student's responsibility to withdraw from courses as outlined above, or a "Failure to Withdraw" grade of "F" will result. At the instructor's discretion, a student may sometimes be reported for non-attendance and an Administrative Withdrawal may be requested, but it should not be assumed that nonattendance will result in withdrawal from a course. In addition, non-payment does not result in Administrative Withdrawal from a course.

NON-REFUNDABLE FEES

Refunds of tuition and instructional fees, if any, are made on the basis of the date and time of receipt of a student's withdrawal. The registration fee, late registration fee, and late payment fee are non-refundable. Failure to pay within five (5) days of registration will result in the addition of the \$100 non-refundable late payment fee. Payment methods accepted include checks, e-checks, money orders, Mastercard, American Express, Visa, and Discover cards. Please note: Credit and debit cards are charged a 2.5% service fee. To avoid this fee, please consider paying by check, e-check or money order. Cash cannot be accepted for payment over \$10. Original signed waiver forms must be presented at the time of registration. Late waivers will not be accepted.

MEETING & REFUND FOR ONLINE AND HYBRID COURSES

Online and hybrid courses are deemed to begin "meeting" on the first day of the semester at 9 a.m., unless otherwise

noted. Online and hybrid courses will be considered "meeting" as other in-person courses that begin the first day of the term (i.e., once per week for 14 weeks in fall/spring, twice per week for six weeks in the summer). The refund and withdrawal schedule follows this "meet" schedule and is effective regardless of individual student login. Please note that some online courses may have earlier start dates.

FINANCIAL AID

The Financial Aid Office at Westfield State University is located within the Student Administrative Service Center in the Horace Mann Center, and is committed to insuring that no student is unable to pursue his or her educational goals for lack of financial resources. Westfield State University participates in a wide variety of federal, state, and private programs. Assistance can be in the form of gift aid (scholarships and grants) and self-help programs (loans, work study, and graduate assistantships). The staff of the Financial Aid Office is available for assistance at (413) 572-5218.

MEAL PLAN REFUNDS

Students may transfer excess financial aid to Owl Bucks on their Campus Card one week before classes begin for the Fall and Spring terms. Excess Financial Aid cannot be transferred to the campus card for Winter and Summer sessions. The Owl Bucks Transfer Form can be found on the CGCE webpage under Forms & Publications or under the Finances tab on your myWestfield. Please note: it can take up to 72 hours for funds to be available. Once funds have been transferred to your card, they cannot be returned until you graduate or withdraw from Westfield State University. **All Owl Bucks balances under \$3.00 will be forfeited at the time of graduation.*

HEALTH INSURANCE REQUIREMENT

Massachusetts General Laws mandate that every full- or ¾ -time student in a public or private institution of higher education during the fall and spring terms shall participate in a qualifying student health insurance program. All students enrolled full or ¾ time must choose to either waive or enroll online through www.universityhealthplans.com. Post-baccalaureate and graduate students are considered ¾ time when enrolled in at least 6.75 credits and full-time when enrolled in at least 9 credits. Undergraduate students are considered ¾ time when enrolled in at least 9 credits and full-time when enrolled in at least 12 or more credits. Failure to submit the proper waiver form will render you liable for the state-mandated coverage provided by the University and you will be billed accordingly.

HEALTH INSURANCE WAIVER INFORMATION

All students enrolled at least ¾ time or more (6.75 or more credits for post baccalaureate and graduate, 9 or more credits for undergraduate) and who do not wish to purchase a health plan through the university, must provide proof of comparable health insurance coverage. In order to avoid being assessed a state mandated insurance charge you must waive the fee by entering your health insurance information online at www.universityhealthplans.com.

From the main screen, please do the following:

- Select Westfield State University
- On the left side menu, click on the “Waiver Form”
- Complete all required information (if information is missing, your waiver will not be accepted)
- Submit the form by clicking “Apply” and if the form is accepted, you will receive an immediate confirmation of your waiver to the email address provided

DELAYED PAYMENT PLAN

Westfield State University offers a delayed payment plan for matriculated (degree seeking) students over a period of time during the semester. Students must apply (application available online under CGCE Forms) and be approved for each term they are seeking a delayed payment plan before they may register into courses. Students must adhere to and meet the following requirements:

- Matriculation in a degree or certification program through CGCE
- Students must pay total tuition and fees by published due dates or will be subject to late fees

- Pay the \$100 delayed payment application fee (non-refundable) on or before first payment
- First payment due at time of registration
- Students will be held to all regulations regarding withdrawals, as stated in the University’s withdraw and refund policy, and are responsible for total payment even if they withdraw before the end of the semester and regardless of grade
- Students who have not upheld payments in prior delayed payment plans, been sent to a collection agency, or placed on Administrative Withdrawal are not eligible for the delayed payment plan

The first payment is due at time of registration and includes the \$100 non-refundable delayed payment plan fee. The remaining payments are due according to the following schedule:

Spring Semester	Last Friday in February Last Friday in March Last Friday in April
