

## STUDENT GOVERNMENT MINUTES

April 12, 1994

- I. ROLL CALL: Carlos Santana, Amy Corcoran, Nikki Pugliese, Walter Francis, Heidi Galvin and Kevin Cross were excused. Jeff Sullivan and John Dolan sent alternates. Josh Dutra was absent.
- II. APPROVAL OF MINUTES OF APRIL 5, 1994: The Minutes were approved.
- III. PRESIDENT'S REPORT: *Ted Christ*
  - A. Constitution Committee: No Report
  - B. Ted recognized Hal Gibson, Director of the Library, who was responding to a memorandum from SGA regarding the change in the Library hours:

*The following dialogue is an adaptation and statements may be paraphrased.*

    1. *Dave Kroon* - How much does it cost to keep the Library open for an extra hour staffed with a work study person?  
*Hal Gibson* - It requires a minimum of three people. It would be about \$16.00 per hour now. The cost is only a small consideration. To have a quiet place to study is a legitimate excuse to use the Library. I am trying to find an alternative to this situation by the fall.
    2. *Ted Christ* - What other options are you looking at to be study areas?  
*Hal Gibson* - A possible part in the Library or I will find another part of this building.
    3. *Karen Guistina* - Will the Library be open later during finals?  
*Hal Gibson* - We will continue to be open until 2:00 a.m. during this time.
    4. *Dan Szenda* - I don't understand how the costs could be so high to keep the Library open longer.  
*Hal Gibson* - There are two Library Student assistants and one Student Security Assistant at that time. Next year there will probably be a regular staff member which would cost more.
    5. *Ted Christ* - How do you determine the number of people using the Library at certain times?  
*Hal Gibson* - We take head counts before we close. I don't think having it open that long is beneficial.
  - C. I have received word that there have been several students reporting alleged incidents of police harassment during the past couple of weekends by members of the Westfield Police Department. I spoke to George Sicaras about this and he will be meeting with Chief Surprise to inquire and discuss the incidents and officers involved. I hope to follow up on this at our next meeting.
  - D. Curriculum Committee: *Dave Kroon*
    1. The Curriculum Committee will be forwarding its Core Proposal to the All College Committee for their consideration and approval. It is recommended that the CORE Proposal shall include 2 courses (6 credits) in Composition, 2 courses (6 credits) in Literary and Philosophical Analysis, 2 courses (6 credits) in Fine Arts, 1 course (3 credits) in History/Government, 3 courses (9 credits) in Social Understanding, 3 courses (10-11 credits) in Mathematics/Science (where one

shall be a traditional Mathematics course, one shall be a Lab Science course, and the third may be either of the previous or of an Applied Analytical Reasoning nature), 1 course (2 credits) in Health/Fitness, 1 course (3 credits) in Upper Level Studies, 2 courses (6 credits) in Diversity (where one shall be Global in nature and the other U.S. related), and 1 or 2 courses (3 or 6 credits) in Foreign Languages (where the requirement shall be satisfied by the completion of Foreign Language I and II or the completion of Foreign Language III and IV), resulting in a CORE of 54-58 credits that may be satisfied minimally by the completion of 48-52 credits of actual course work. Also, that any course within the CORE that applies toward a student's major or minor program of study shall be construed as having fulfilled both the major requirement and the CORE requirement and that, except for instances of Diversity courses, no course applied to a student's program of study shall be allowed to fulfill multiple CORE requirements simultaneously. The Curriculum Committee will meet again on April 14 in Parenzo 202. All our welcome:

*The following dialogue is an adaptation and statements may be paraphrased.*

- a. *Dan Szenda* - How many members of the Committee are from the Movement Science Department?  
*Dave Kroon* - Only one, possibly two. I think that it's a Presidential concern.
- b. *Erik Whynot* - What about minors in regards to the upper level requirements?  
*Dave Kroon* - If you have a course that falls under your minor core too, that will count.
- c. *Amy Corcoran* - I know there was a concern with staffing, especially in Foreign Languages. Have you discussed this concern?  
*Dave Kroon* - Yes, that has been discussed. The attitude was to go around it in a purely educational level.
- d. *Tricia Rocco* - The President does not want a Foreign Language requirement but I understand that he supports a physical fitness requirement.  
*Jen Salmon* - The President was looking more at what each department could handle.  
*Todd Audyatis* - I support a language requirement. We live in a global economy.
- e. *Jen Salmon* - I don't think 70 of us can pick apart the Proposal. We either support the Proposal or we don't. I'm on the Committee and I support what has been done. We are a liberal arts school.
- f. *Bryan Walsh* - How many credits total is this?  
*Dave Kroon* - The 120 credits can not change. What will change is the amount of electives you may take.

Todd Audyatis moved that SGA vote on each section of the Core

E. Health Committee: No Report

F. Food Services Committee: No Report

2. Letters to neighbors concerning Spring Weekend are complete and will be mailed by April 15.
3. The Neighborhood Association Committee will meet on April 13 at 4:30 p.m. in the SGA Room.

H. Student Affairs committee: No Report

I. Residents of Dickinson Hall have had Sign In privileges reinstated on a temporary basis as follows:

- April 9 - Saturday at 2:00 p.m.  
April 16 - Saturday at 2:00 p.m.  
April 22 - Friday at 2:00 p.m.

Sign In privileges will be reinstated fully for Spring Weekend pending evaluation of the previous weekends.

J. We are currently reviewing the alcohol and drug sanctions. If you have any concerns, please contact me as soon as possible:

*The following dialogue is an adaptation and statements may be paraphrased:*

1. Ted Christ - I know you discussed increasing the amount of alcohol that can be signed in. Can you elaborate?

**STUDENT GOVERNMENT MINUTES**

April 12, 1994

Page Four

Steve Dailey - What I asked for at the meeting was basically regarding the issue of consistency to raise the amount of alcohol in a room from 1 1/2 to 2 cases if both roommates are 21 years of age.

- K. Regarding our proposed changes to the existing Sign In Policy, the R.D.'s have requested that they have the ability to hold hearings for level 1 sanctions in order to expedite those who violate the policies. In essence, students will be losing their ability to go in front of the Judicial Board. One or two R.D.'s will be trained as Hearing Officers for level 1 sanctions. We need to solidify our position on this policy if we want changes to be implemented in the fall:

*The following dialogue is an adaptation and statements may be paraphrased.*

1. *Jon Conlogue* - The issue of guest sign in has been an issue all year. We're suggesting that we'll go ahead and raise the time which will cause a lot of the Residential Life Staff to be uncomfortable. I also understand that a lot of you may be uncomfortable with giving administrative hearing powers to the R.D.'s, therefore, I guess we have a balance of discomfort. In the long run it can work well for both of us. The vast majority of the students are going to enjoy significant improvements with the number of hours they can have guests signed in. The only people it's going to affect are the people who violate the policy.
2. *Erik Whynot* - How does the increase in Sign In from 9:00 - 11:00 p.m. relate to giving R.D.'s increased administrative powers?  
*Jon Conlogue* - What I've been hearing from this group is that you want increased privileges.
3. *Erik Whynot* - How is accountability being increased?  
*Jon Conlogue* - There is well established research in Student Affairs that if we deal with things efficiently, things will get done effectively.
4. *Tricia Rocco* - It seems to me that Residential Life is playing a game with students by holding this privilege in front of us so they will have more power.  
*Jon Conlogue* - Some of the Residential Life Staff feel uncomfortable about changing the policy.
5. *Kevin Cross* - Does that mean R.D.'s would handle Sign In violations, but we would have 11:00 p.m. Sign In seven days a week?  
*Steve Dailey* - The Proposal is 11:00 p.m., seven days a week with the half hour leeway time that is in effect now.
6. *Kevin Cross* - What happens when students violate alcohol policies?  
*Jon Conlogue* - The R.D. would only deal with first offenses of Sanction 1. Students can still go to the Appeals Board. The students will not lose any due process rights.
7. *Ted Christ* - Can you clarify the appeals process?

**STUDENT GOVERNMENT MINUTES**

April 12, 1994

Page Five

*Sue Basque* - The Appeals Board hears appeals. The College Appeals Board is made up of the Vice President of Student Life (Steve Dailey), The Vice President of Student Affairs (Peter Mazza) and the Dean of Graduate and Continuing Ed (Wayne Hamilton).

8. *Dan Szenda* - What is the normal amount of time for the appeals process?

*Sue Basque* - If the person chooses to appeal, the punishment will not be implemented until after the hearing.

9. *Lori Potter* - In the past we have tried new policies and they have failed. If this policy were scrapped, would the R.D.'s still retain their power?

*Jon Conlogue* - I see Residential Life trying this for a year.

10. *Todd Audyatis* - Last year the R.D. would propose a sanction and the student could waive their rights. In this case, don't you totally circumvent a jury by peers?

*Sue Basque* - The only hearing process on campus is the Judicial Board. What we would be implementing is two hearing levels, one from the R.D. and one from the Judicial Board level.

11. *Christina Meriano* - Why is a year enough time to review this policy but not in the case of Dickinson Hall?

*Jon Conlogue* - In one case you're talking about making a shift in an already set policy. The other case is something that can be observed at other colleges. It is like apples and oranges.

12. *Erik Whynot* - It's my understanding that this was part of the proposal last year.

*Sue Basque* - It was proposed last year in the Committee but it was not brought in front of Senate because none of the students on the committee agreed with it.

13. *Dave Gallagher* - I'd like to see something with an increase in Sign In hours without strings attached.

Dave Gallagher moved to reject the proposed Sign In Policy.

14. *Erik Whynot* - I still believe that we are being muddled with words and I agree that we should trash this proposal.

15. *Steve Pratt* - I believe that any increase of student rights and freedoms is worth supporting.

16. *Kevin Cross* - For once they're giving us an 11:00 p.m. Sign In. If people violate this Policy, let them suffer.

17. *Dave Kroon* - Are the powers that will be given to the R.D.'s directly tied into the Sign In Policy? If the Sign In Policy fails, would R.D.'s lose their powers.

*Jon Conlogue* - That's fine. I have no problem with that. The number of cases we're talking about dealing with is small.

*Sue Basque* - The R.D. will call the student in and ask them to sign the waiver. The student can refuse to sign and go to Judicial Affairs. Under the new Proposal, if a student refuses to sign the waivers, he/she would have the right to appeal. It would go directly to the College Appeals Board.

**STUDENT GOVERNMENT MINUTES**

April 12, 1994

Page Six

18. *Christina Meriano* - What else would the R.D. be in charge of?  
*Jon Conlogue* - They would deal with all minor sanctions.

*Johanna MacAllister* moved to Call the Question. The Motion to Call the Question was accepted. The Main Motion stood on the floor that SGA reject the proposed Sign In Policy. The Motion was not accepted with seven abstentions (*Johanna MacAllister, Owen Johnson, Todd Dorman, Christina Meriano, Alex Kennedy, Derek Dufresne* and *Chris Sault*). *Dan Szenda* moved that SGA support the proposed Sign In Policy. The Motion was accepted with seven abstentions (*Johanna MacAllister, Owen Johnson, Todd Dorman, Christina Meriano, Alex Kennedy, Derek Dufresne* and *Chris Sault*).

- L. *Jim Godfrey* asked *Kathi Bradford* to respond to the letter regarding Orientation. *Kathi* feels that she has a very good, committed staff of 26. She received 24 evaluation forms that were positive. A number of the experienced staff said they had no doubts about the new program and are glad that they stayed.

The Vice President's Report-Student Life was accepted.

If you have any questions,

they can be addressed at that time. This literature will also include a copy of the finalized schedule:

The following dialogue is an adaptation and statements may be paraphrased.

a. *Carlos Santana* - Will the Dining Commons be giving out meal tickets for Spring Weekend?

*Andy Johnson* - This year people will be given tickets for each dinner starting on Thursday. Saturday will have two sets of tickets for two meals. If you are not on the meal plan, you may purchase tickets at the Teller Window.

The Vice President's Report-Programming was accepted.

VI. TREASURER'S REPORT: No Report

VII. SECRETARY'S REPORT: *Kelly O'Neill/Angie Nydam*

- A. Elections are underway! Results will be available at the front desks of each Residence Hall and in the SGA Room on April 14. Good Luck to all candidates. Anyone helping with elections, please check the schedule to see when you are needed at the polling tables or helping count ballots. Thank you to all those who helped!
- B. The SGA Awards/Scholarship Banquet will be held on April 19 from 5:30 - 8:00 p.m. in the Scanlon Banquet Hall. This will count as a Senate Meeting, therefore, those who are not there will receive an absence. A buffet dinner will be served. If you will be unable to attend, please see Angie or me.
- C. The Senate Banquet will be held on April 21 at Chez Josef. A social hour will begin at 7:00 p.m. and dinner will be served at 8:00 p.m. Dancing will be from 9:30 p.m. - 1:30 a.m. with D.J. The Secretary's Report was accepted.

VIII. BOARD OF TRUSTEES' REPORT: *Dan Szenda*

- A. All College Committee: No Report
- B. Academic Policies: No Report
- C. Curriculum Committee: (See Letter C of President's Report)
- D. Long Range Planning Committee: No Report
- E. SAC met on April 9 at Quinsigamond Community College to discuss the logistics of the Lobby Day. Since the Legislature will not be in session on April 20, we have decided to hold our Lobby Day on ] April 27. Why is this important?
  - 1. The Capital Planning Fee has been passed here at this Campus. The next step in the process was that the Administration and Finance Committee of HECC would then need to pass this plan

on to the full Board. All expectations were that this would happen. It did not. This brings us back to the initial stages of the Capital Development statewide. Therefore, this failure by the executive administration is an excellent opportunity for a student lobbying effort. The University of Massachusetts/Amherst has a full time Legislative Correspondent that is supported by their SGA Trust Fund. They have extended help in the efforts to organize the lobbying effort?

a. *Kathi Bradford* - Will SGA have buses provided for students who want to attend?

*Dan Szenda* - Yes. If students want to go, they should commit to it now.

The Board of Trustees' Report was accepted.

IX. BOARD OF GOVERNORS' REPORT: No Report

X. COMMITTEE REPORTS:

A. Bookstore Committee: No Report

B. Rules and Regulations Committee: No Report

C. Exchange Committee: *Jen Corsac*

1. There is a lot of good news regarding the National Exchange Program which took place over Spring Break. 45 exchange school representatives came to Westfield State to check out our campus. The event included a dinner and further discussion of the program. The National Exchange Program offers 115 colleges and universities which WSC will be able to exchange with. Next semester there will be twelve students from Westfield going to other schools and seven students will be coming here. I strongly encourage you to look into this because now is the time to do it. If you have any questions, you can contact Daryl Hendery at Extension 5648.

D. Athletic Council: No Report

The Exchange Committee Report was accepted.

XI. ADVISORY COMMITTEE REPORTS:

A. Affirmative Action Advisory Committee: *Jim Godfrey*

1. Affirmative Action has a Hotline which is Extension 5005.
2. Informational packets will be going out soon as an all campus mailing. These packets will include a cover sheet explaining that Affirmative Action is here at WSC and what we are all about. There will also be a report form included if an incident warrants recognizing.

B. Health and Wellness Center Advisory Committee: *Lori Potter*

1. Curt Robie and Rick Pierce went to the various Weight Rooms on campus and assess the equipment we presently own. We can use about \$10,000 worth of that equipment. The rest will have to be thrown out:
  - a. *Dave Kroon* - Will the Halls be reimbursed for the

**STUDENT GOVERNMENT MINUTES**

April 12, 1994

Page Nine

equipment they lost?

*Lori Potter* - There's going to be a trade off with some of the things in the Owl's Nest.

2. The final equipment list (including assessment equipment) was drawn up. It is expected to cost up to \$160,000 with all equipment being top of the line and brand new. This price includes shipping and set up.
3. The Arcade will be moved to the area by the lockers outside of the SGA Room. There will be a lounge area in the present video arcade.
4. Regarding Staff discussion, we are looking into a graduate intern paid a salary and possibly given free tuition to work during the hours when the Director is not present. We are also discussing whether or not the Director of the Wellness Center would be responsible for the pool and racquetball areas as well.
5. I questioned Curt Robie on whether he meant capital planning money when he said capital money. He said he did. However, even if the capital planning money doesn't come through, the Wellness Center will be put in. "The money will be local money" were his words.
6. The Health and Wellness Center Advisory Committee will meet on May 3 at 3:30 p.m. in the Owl's Nest. At that time we will make decisions concerning the cosmetic angle of the Wellness Center such as floor and wall colors, etc.

C. Campus Sign Committee: No Report

F. Human Relations Advisory Committee: *Lori Potter*

1. We will be sponsoring a Celebrate Unity Forum on April 27. It will be a forum for discussion of gender equity, core diversity and reverse discrimination. It will be held at 3:30 p.m. in the Scanlon Living Room. Approximately eight Professors and Administrators will serve on the discussion panel. All those in attendance will be given a change to ask questions and voice concerns:
  - a. *Ted Christ* - Is it possible to move the forum to another day now that the Lobby Day has been rescheduled?  
*Lori Potter* - I will ask but it may be difficult.

## Westfield State College Lobby Day Suggestions.

1. Make Appointments with Legislators
2. Come with Comments and questions preprepared.

### Sample Topics:

- a. Capital Planning- state maintainance responsibilities are being passed on to students here at WSC.
  - b. Lowered State Allocations mean:

    2. cutting programs
    3. reduced services
  - c. Reduced financial aid along with increasing costs results in a number of downfalls:
    1. Reduced access to financially strapped families and individuals for whom public higher education is suppoed to serve
    2. Economic Development-  
Capital Investment in the citizens and taxpayers of the Commonwealth will strengthen the economy by the simple fact that College Grads earn more and pay more taxes.
3. Finally we will institute a program of regular communication between the students and legislature of Massachusetts.
