

We are seeking Psychotherapists:

Summary:

To provide outpatient mental/ behavioral health psychotherapy to patients of the Health Center. The Psychotherapist II is a member of the clinical practice team and works collaboratively with other team members in providing patient care. As part of the team-based approach to care, the Psychotherapist II will participate in coordinating care for individual patients, will support patients and families in self-management, through evidenced-based approaches as may be appropriate, will engage in health center projects that are aimed at specific patient population needs, and will utilize effective and appropriate communication strategies, such as health literacy approaches when working with patients.

Responsibilities:

- Provide psychotherapy to patients at the health center and in other settings as assigned.
- Provide consultation, assessment, and evaluation on an urgent and routine basis during regular health center hours.
- Provide on call coverage on a rotating basis to relevant providers and patients of the health center regarding mental/behavioral health issues.
- Maintain necessary paperwork and documentation as required by department and health center policies and protocols.
- Maintain valid license to practice in MA

Additional Job Duties

- Provide consultation to medical providers as well as to other programs of the health center regarding mental/behavioral health issues.
- Provide patient advocacy, outreach and education in the community as appropriate.
- Provide contracted consultation and evaluation to outside agencies such as schools, residential drug treatment programs and other outside agencies, as requested by the supervisor.
- Adhere to all department protocols regarding patient care.
- Perform other duties and work on special projects as assigned by the supervisor including attendance at requested department, center, and outside meetings and/or trainings.
- Variable work hours to accommodate needs of patients necessary to meet funding/budgetary demands of position.

Required Qualifications

- MA LICSW, LMHC or LMFT licensure - active

Preferred Qualifications

- Bilingual in English/Spanish or English/Portuguese or other relevant language.
- 2-5 years of human services or counseling experience
- Excellent computer skills

Job Type: Full-time

Experience:

- Psychotherapy: 1 year (Preferred)
