

IBHC FELLOWSHIP APPLICATION – REFERENCE FORM

The Interdisciplinary Behavioral Health Collaboration (IBHC) Project includes a central focus to provide comprehensive integrated behavioral healthcare education and training to MSW students completing their final clinical practicum. Supported by a 1.3 million dollar, four year, Behavioral Health Workforce Education and Training for Professionals grant from the Health Resources and Services Administration (HRSA), this one-year intensive training fellowship supports the project's goal to enhance the workforce for practice within integrated behavioral health, particularly within medically underserved areas and populations across Central and Western Massachusetts. Additional information is available regarding the IBHC Project on the WSU IBHC website at <http://www.westfield.ma.edu/interdisciplinary-behavioral-health-collaboration>

You have been asked to serve as a reference for a student who is applying for the IBHC Fellowship.
