

Outreach Clinician

Cutchins Programs for Children & Families has 40 years of providing uncompromising care not easily found in today's health care environment. Our residential, outpatient, and special education services provide children and families struggling with the effects of trauma and mental illness in a sanctuary of safety and love. Currently, we are seeking a Clinician to provide services for an intensive outreach program for boys and girls (0-21) with serious emotional difficulties, and their families. Services are provided through multiple contracts, including the CBHI program In Home Therapy and state funded contracts. Opportunity to work as an integral member of a team that is a unique and small but DBT based family outreach program providing home and community based services. Excellent clinical and organization skills required. Master's Degree, independent licensure (or eligible), and driver's license as well as access to own transportation required.
