

Add Your Westfield State Account to an iOS Device

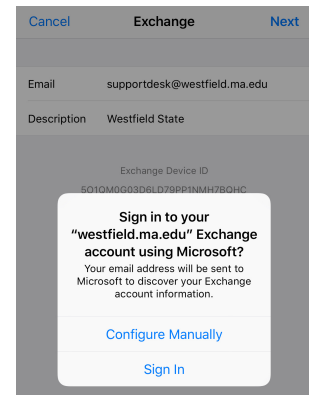

Open the Settings app on your iOS device.

Within the Settings app, tap on 'Accounts & Passwords'.

Tap 'Add Account'. Select 'Exchange'. Enter your email address and a description. Tap 'Next'. It will ask if you want to 'Configure Manually' or 'Sign In'; select 'Sign In'. When prompted, enter your current password and tap 'Next'.

Select the services you would like to use and click 'Save'.
