TEXT: *Jazz, 2nd Edition*, by Scott Deveaux and Gary Giddons. New York: Norton, 2009. ISBN: 978-0-393-93706-0

This is a great book. It is required and available loose leaf in the WSU bookstore and at other places as an ebook and hard copy. Make sure you have the 2nd edition and access to the online material including the recordings frequently referenced in the text. Here is a link to the publisher:
