Note 6: Discipline choices at STCC appropriate for transfer into WSU's licensure programs in secondary education include: Biology, Business Admin., Chemistry, English, History, Mathematics, and Physics. Students should consult the current STCC-to-WSU course equivalency guide to choose courses that will transfer into their intended major at WSU. The guide is updated annually and is available online at www.westfield.ma.edu/ceg.

Note 7: Students either will be placed in CMPA 160, or will be allowed to select a 4th course in their desired major (see Note 6) as a course substitution, pending the decision of the STCC academic dean on an individual basis.
