

GIS Day 2013 Treasure Hunt

Wednesday, November 20th
3:00pm to 4:30pm

1. Pick up a GPS receiver in the GIST Center (Bates 22) starting at 3:00pm before heading out to play.
2. Using a GPS receiver, smart phone, compass, sun, dowsing rod, geographic institution or luck *navigate* to one or more of the coordinates listed in the table below (Sorry we are out of dowsing rods at this time).
3. At each location, search for the clearly marked geocache. Once found fill out the log and add your swag to the geocache.
4. Bring back an existing piece of swag from your geocache to the GIST Center by 4:30 pm to *receive* your prize!
