As a guideline from the Academic Policies Committee, the maximum course load a student may carry in a given semester is 21 hours including both day and evening courses and programs. A student should have a minimum grade point average (GPA) of 2.50 to carry 19-20 credit hours and a minimum GPA of 3.00 in order to carry 21 credit hours.

**NOTE:** This is **NOT** a registration form. Once you have obtained all signatures, and have submitted the form to the Office of the Registrar, you may register during add/drop for open courses in excess of 18 semester hours.

Registration into more than 18 semester hours at Westfield State College will result in a credit-load surcharge for each additional credit (or half credit) hour over 18. Please consult the College *Bulletin* for surcharge information.
