jsmith5678
password: CWID
A12345678

As part of the activation process, you will be prompted to establish 3 security questions which will allow you to reset your password in the future.

What is myWestfield?
myWestfield is a secure site providing students, faculty and staff with world-class services, featuring a one-stop shop for checking e-mail, class registration, Internet and Intranet services.

myWestfield eliminates the need to log into different areas and services to access your life here on campus. You have access to your e-mail, your calendar, University announcements, etc. all in one window and by logging in only once! Faculty will have access to their class rosters, grades, etc. Students will have access to their schedule, grades, etc.

Your e-mail address is your username@westfield.ma.edu. E-mail is the official means of communication so check it often!
