

**Position: Integrated Primary Care Behavioral Health Consultant**

Location: UMass Memorial Medical Center, University Campus, Worcester, MA

Department: Family Medicine Primary Care

Status: Full Time

Requirements: Licensed Independent Clinical Social Worker

The Benedict Family Medicine Practice at UMass Memorial Medical Center is recruiting a Licensed Independent Clinical Social Worker (LICSW) to join its fast paced, cutting edge clinical and multidisciplinary learning practice. Contribute your talents to expanding this nationally recognized behavioral health program providing care to families, children, adolescents, and adults with a wide variety of mental health, substance abuse, and health behavior change needs.

This position will include 50% FTE of direct brief-psychotherapeutic intervention and 50% care co-ordination/case management activities.

**Essential Duties and Responsibilities:**

- Provide quality clinical consultation addressing patient psycho-social concerns in collaboration with the integrated primary care team.
- Provide assessment and psychotherapeutic interventions for patients of all ages regarding psycho-social concerns that may be related to life stressors, acute and/or chronic medical/mental health conditions, motivational barriers to healthy lifestyle, and/or other identifiable behavioral health concerns, while making appropriate recommendations to medical providers and patients
- Participate in interdisciplinary clinical care including diagnostic evaluations, urgent care assessment and intervention, treatment planning, individual, group, and family therapy
- Facilitate referrals to specialized mental health providers and psychiatric services as needed; will provide on-site crisis assessment, triage and intervention while coordinating with community based mental health organizations, local hospitals, and public safety officials
- Provide outreach to high risk patients and provides coordination of care including identification and referral to relevant medical, psychological and community resources
- Attend applicable provider meetings and participate in on-going training activities as needed
- Participate in in-service/education regarding Quality Improvement

- Complete required documentation for contractual and billing needs in the electronic medical record

Qualification Requirements:

- Master's degree or higher in clinical social work.
- Licensed or license eligible in the state of Massachusetts as a LICSW.
- Knowledge of and experience in Integrated Primary Care or other medical settings strongly preferred
