UNIVERSITY PARKING OVERVIEW

All students, employees, University guests, and visitors of the University (in excess of two hours) using campus parking are required to register their vehicle under a valid permit in accordance with the University's Parking Rules and Regulations.

Employees may park in those areas highlighted in red, purple, and orange.

Commuter students may park in those areas highlighted in purple and orange.

Resident students with a Main Lot Permit may park in those areas highlighted in gold and orange.

Resident students with a Resident Permit may park in the area highlighted in orange; they may park in purple areas between Fridays at 5PM and Sundays at midnight only.

Visitors to the campus for less than two hours may park in the areas highlighted in dark green and areas identified by University Police.

University owned vehicles only are permitted in areas outlined in red.

All electric vehicles may park in EV spaces highlighted in neon green. Please note charges apply. Non-EVs will be ticketed and/or towed.

IMPORTANT NOTE: Parking lots may have spaces designated for different permits. Drivers are responsible for parking in the correct spaces that align with their permit.
