

Westfield State University Career Center - Remote Work with Students and Faculty Collaborations

Delgado, Junior <JDELGADO@westfield.ma.edu>

Thu 4/2/2020 5:05 PM

Hello Colleagues,

On behalf of the Career Center team, we hope that you, your family and friends are staying safe and healthy throughout this difficult time.

We are hearing from students that are worried about employment, internships and opportunities moving forward. We wanted to share that the Career Center team is working remotely and still serving students with phone appointments and offering Zoom workshops through faculty partnerships. **To schedule an appointment students can send a message to careers@westfield.ma.edu or call the office at (413)572-5206 and a team member will reach out directly.**

Some of the topics that we are discussing via phone in one on one appointments are:

- Job and Internship Search
- Interview Preparation
- Graduate School Advising
- LinkedIn and Networking
- Personal Branding
- Resume and Cover Letter Development

Zoom workshops that are being presented through faculty collaborations are:

- LinkedIn
- Job and Internship Search
- Graduate School Advising
- LinkedIn and Networking
- Personal Branding

Also, students can visit the Career Center's social channels such as Instagram, Twitter, Facebook and LinkedIn as we continue to upload opportunities and virtual career fairs. All employment opportunities and events are being posted on Handshake - <https://westfield.joinhandshake.com/login>, the Career Center's job/internship/events board.

Don't hesitate to reach out and let us know if you have any questions.

Be well and stay safe,

The Career Center Team
