**Note: No more than 2 courses in any single department may be used to fulfill individual WSC Common Core area requirements.*

*ED = Elementary Education core requirements for state licensure.

LED = Courses allowed toward the 18-credit concentration in a liberal arts and sciences discipline, which is required of all Liberal Studies/Elementary Education majors, pending approval of the Liberal Studies/Education Coordinator.

SCED = Courses required for Secondary Education licensure only.

ECED = Courses required for Early Childhood Education licensure only.

SPED = Courses required for Special Education licensure.

NOTE: A finite number of 100-level courses with ED & LED equivalencies is allowed for all education majors.

Course numbers preceded by # in any of the guides do not appear in that community college's current course description catalogue, and currently may be obsolete.

Course equivalency guides are published for informational purposes only and do not constitute contracts between Westfield State College and any student, applicant for admission, or other person.

Course equivalencies are subject to change without notice.
