The College of Graduate and Continuing Education

at Westfield State University is proud to offer a variety of graduate and licensure programs designed to accommodate the personal and professional needs of today's busy student. With no difference between our in- and out-of-state tuition, Westfield State University is a great option for students all over the Northeast!

We share the values of the modern adult learner. Our high quality programs are affordable, flexible, and rewarding. We welcome the opportunity to tell you more about our programs, division, and university and also to guide you through the admission process. We encourage you to work with our outreach specialists who are here to answer your questions.

THE ADMISSION PROCESS

The purpose of graduate education at Westfield State University is to allow the student to develop as a scholar capable of original thinking and research in a professional career. A graduate degree represents more than a completion of a prescribed number of courses. It indicates that the student has performed successfully in a field of professional study and has developed specialized skills, independent judgment and scholarship necessary to be a Master in his or her respective discipline.

Applicants' qualifications are reviewed by individual departments as well as by the Dean of Graduate and Continuing Education. Criteria used in weighing each application include: undergraduate grade point average, professional training, references, standardized test scores (if applicable), as well as the individual's narrative statement on professional goals and reasons for desiring graduate education.

The College of Graduate and Continuing Education strongly recommends that you work with an outreach specialist during the application process. Please contact (413) 572-8020 to be connected to an outreach specialist. Applicants may also contact the Assistant Director of CGCE Admissions with questions at (413) 572-8022. More information about our programs, the university, and the application process, can be found at **gobacknow.com**.
