**This training is specific to Peer Recovery Support Services and meets the CARC requirements in Massachusetts as administered by MBSACC.**

Every aspect of the Addiction Recovery Coach Certificate (ARCC) Program is set up to give individuals the knowledge and skills required to be a recovery coach. As adult learners participants are internally motivated and self-directed, bringing life experiences and knowledge to their learning experiences.

It is also based on the International Certification and Reciprocity Consortium (IC & RC) requirements through the Massachusetts Board of Substance Abuse Counselor Certification (MBSACC).
