Dear Dr. Torrecilha,

On behalf of the faculty, staff and student body of Bryant University, I extend warmest congratulations on your inauguration as President of Westfield State University.

Thank you for the invitation to attend your inauguration on Friday, October 14th, 2016. I greatly regret that my schedule prevents my being with you on that important date. Our Alumni Relations Office will coordinate with our friends and alumni to see if a delegate is available to represent our University. If a delegate is identified, we will forward his/her name immediately.

My personal best wishes for a long and successful term of office.

Sincerely,

Ronald K. Machtley
President
