

Job Opportunity:

Lahey Health Behavioral Services' Community Service Agency (CSA) is seeking an Intensive Care Coordinator (ICC) at our Beverly, MA office. This is an exciting opportunity for you to facilitate positive change for the youth and families of the Cape Ann and Beverly areas. We utilize the internationally-recognized Wraparound process, a strengths-based approach to family empowerment and success. Candidates for this position need strong skill sets in meeting facilitation, organization, coordinating among various team members, team building, diagnosing (utilizing the DSM 5), clinical formulation & implementation, written & verbal communication, documentation, multi-tasking, problem solving, self-motivation, and leadership. Under the direction of the ICC Manager or Supervising ICC, the ICC facilitates care planning and coordination of services for eligible youth with serious emotional challenges under the age of 21.

Qualifications:

Master's Degree must be in a mental health field (including, but not restricted to, counseling, family therapy, social work, psychology, etc.) from an accredited college or university.

NEW GRADS ENCOURAGED TO APPLY

Intensive Care Coordinators with bachelor's degree must have a degree in a human services field from an accredited academic institution and one year of relevant experience working with families or youth, if the bachelor's degree is not in a human services field, additional life or work experience may be considered in place of the human services degree.
