

PLATO Log in Button Changing on Th. May 15th.

On Thursday we will be switching the Log In buttons for Summer Classes

The top button Log into PLATO will now direct users to Brightspace Log in
The bottom Log In Button will now say log into Blackboard

Blackboard SP 25 Course Archiving will start on June 2nd.

Any work submitted after this date may not be archived.

Please do not have students do any incomplete work in Blackboard after June 2.

Blackboard Spring 25 Incompletes-

We have hired a service to help with the archiving of courses for the completion of incompletes.

Students will be finishing their incompletes in Brightspace if they have not completed their course work by June 2nd.

Please reach out to CIT to set up the course in Brightspace so the students can complete their work in your course.

Blackboard LMS is being sunset as of June 2nd.

All courses will now be in Brightspace except for the programs below which end in June.
