

MGMT 0107 Software Applications – Online

What is required before classes start.

1. To read the Syllabus from start to end [Syllabus](#)
2. You are required to attend the first class Friday September 5th Wilson 115I PC Lab 6:30 to 9:30 PM
3. [E-mail me for Questions.](#) MNaidorf@wsc.ma.edu
4. You must be able to log onto the WSC network.
5. You must have a valid and working WSC computer account. (see your registration information mail or call the IT department in Wilson 105).
- 6. YOU MUST PURCHASE THE TEXT AND SOFTWARE AND BRING IT TO CLASS ON THE FIRST NIGHT.**
7. You must have access to a computer. It should have high speed internet access. (there are many large files that need to be sent thru e-mail. and may not transfer with a dial-up connection) If you do not have access or cannot get access to high speed access you will be required to use the computers on campus in the computer lab's to do your work.
8. you should go to this link [Http://students.wsc.ma.edu](http://students.wsc.ma.edu) an follow the instructions to set up an account. I will supply the instructions to use this site the first night.
