

Physiological Psychology: PSYC 0312 – Online, summer 2017

Biopsychology

John P.J. Pinel, 9th edition with MyPsychLab.

ISBN 13:9780205994700 (Paper Bound with access card)

ISBN 10:0205994709

9th edition e-text without MyPsychLab: **\$86.99** | ISBN-13: 978-0-205-98777-1

9th edition hard copy: **\$144.67** | ISBN-13: 978-0-205-97976-9

I do not require access to MyPsychLab. Past students have said that it was valuable to them. **I do require the 9th edition.**

There is a new edition. I do not have a copy of it as yet.

The text may be purchased from the publisher:

http://www.mypearsonstore.com/index.asp?partner_select=49

The Westfield State University Bookstore: <http://westfieldstate.bncollege.com/>

Amazon.com: <http://www.amazon.com/>

Coursesmart: <http://www.coursesmart.com/>

You should read the text preface and chapter 1 as soon as possible.

There are six (6) one week sessions. Each session will have one test that will be due by 11:59 pm on the last date for that session. There are other assignments within each session that have dates associated with them.
